Providing Housing & Assistance

Housing Mooroopna provides stable and affordable high-quality residences for people who want to be part of a safe community and be able to connect with others whilst simultaneously enjoying their own space and independence.

Tenancy for Housing Mooroopna will be managed by The Haven Foundation. Our staff have a high level of empathy and understanding due to our broader work with people with mental health and wellbeing challenges.

Housing Mooroopna is a housing project, it does not provide on-site mental health support services.

Housing Mooroopna was funded by Homes Victoria as part of the Build and Operate program to provide financial assistance for the construction and operations of social housing in partnership with community housing agencies, and delivered in partnership with Mind Australia and The Haven Foundation.
